**General Notes**

- These drawings are Diagrammatic in nature & are not intended to be scaled. Symbols used for fixtures, etc. are not intended to represent actual size of model selected by client. It is the contractor's responsibility, through the submittal process for approval, to verify that equipment specified shall have appropriate clearances for installation & maintenance.
- If any conflicts exist, the contractor is responsible for calling attention to, describing, and requesting guidance for the corrections of the conflict in writing to the architect.
- All door & casel openings to be 8'-0" high this floor.

**Main Floor Plan**  
 Scale: 1/4" Equals 1'-0"
